

## Annual Report of the ASE Board 2022-2023

The ASE Board 2022-2023 had 6 Board Meetings, two of them in person.

It was present at more than 70 Meetings and events, mostly with President Filipe who joined over 40 Meetings online and in person with Senate Presidents, Senators, members, JCI General Secretary, AMESA, ASSEAN and conference teams all over Europe and the world. He created 12 editions of the ASE News and also ASE News special editions from different conferences.

But also many different other Board Members participated on many occasions. The ASE Board was represented at the following events in person and online (excerpt): British Senate AGM, Middle German Conference, JCI Senate Finland Annual Conference, Senators Meeting in Grapevine, State Conference of Baden Württemberg, European Senators Golf Championship in Mont Garni, ASAC Senators Encounter in Trinidad & Tobago, Crayfish Conference Halmstad, ASAC Board Meetings Senotium Tonsberg, German Conference Buko in Mannheim, Bavarian Conference Deco in Bad Neustadt, Senators Day, British Senate September Cheshire weekend, JCI USA Fall Board Meeting Denver, British Senate October Jersey weekend, COSEKO in Zürich, JCI Dongdeamun Senate Chain Changing Ceremony, combined Senator/JCI member events in Ireland (Galway & Dublin), British Senate Drumming out in Reading, Senators Mediterranean Summit in Istanbul, Senators Online Summit Vienna Waltz Gala in Vienna, European Presidents Meeting in Monaco, Norwegian Senate Event Oslo, JCI International Board Conference, Christmas dinner of JCI Monaco and JCI Monaco Senate, Meeting of German Local Presidents in Berlin, Balkan Conference in Chisinau, German Spring GA in Wetzlar, Seko in Schwabach, Spring Board Meeting in Lissabon.

The Board worked out the factors for ASE Adding Value which mostly consist of Professional (like personal development opportunities and business opportunities worldwide), Fellowship and Fun (feeling at home worldwide, finding mentors), Support (international networking), Experiences (unique world of discoveries of people, places and more) and Knowledge (first hand local information, cross country understanding, networking of local experts). ASE adds value through all of these topics to ones professional and private life.

To be in touch with members and for sharing news, experiences and dates the ASE regularly feeds a variety of social media like WhatsApp & Signal Fellowship & Fun groups, ASE LinkedIn group, ASE Website Facebook, Youtube and Senate Magazine.
